**WE NEED YOUR HELP!!**

We need your help! Emory Libraries are currently testing **discoverE** (<http://discovere.emory.edu>) to see how well it meets the different research needs at Emory. We are seeking undergraduate and graduate students willing to complete 5 common tasks and talk about what they are seeing and expecting. We will use this information along with similar information collected across Emory to suggest improvements to the tool. Your hour can lead to a better research experience for all.

If you have an hour to spare, please call or email Alain St. Pierre ( 404.727.5049 or [ajstpie@emory.edu](mailto:ajstpie@emory.edu)) to schedule a convenient time.
